1. According to the autonomous Regulations 2024, the maximum number of credits that can be earned through NPTEL courses is 6. This waiver can be used only for the VIII semester courses to facilitate students pursuing their final year project in industries or doing an internship.
2. Students who are willing to do an B.E. Honors in AI/ML can avail the maximum 6 credits through NPTEL course. On successful completion of online courses of every three credits, the student can get a waiver from doing one course in the Honors.
3. Using the form, you can enter one or two NPTEL courses from this list which you wish to enroll for during Jul-Oct 2026.
4. For the courses on which a "PASS" is obtained from NPTEL, mapping of the NPTEL marks to SSN grades is based on the SSNCE Autonomous Regulations 2024 as per clause 4.7. However, if the status of "FAIL" is obtained for a course from NPTEL, then, irrespective of the total marks obtained, the grade will be "RA".
5. If a student gets a FAIL in an enrolled NPTEL course, he/she can enroll in another NPTEL course in the next semester.
